Leaving the car park and walking north along the Macclesfield canal to Windmill Street and entering Macclesfield Golf Club. Taking the footpath on our left we enjoy views over Macclesfield dropping down to walk alongside Teggs Nose Country Park and crossing the bridge over the River Bollin.

Exiting onto Langley Lane alongside Hollinghey Wood we cross the River Bollin again to Hall Lane under the canal to climb the steps at the side of the Olde Kings Head to rejoin the canal and back to Sutton Hall.
